obscure phenomena I have observed, I deem it necessary to give my readers a little trouble, which I hope will not make them altogether impatient. All this is to show, how a sort of connecting link was forged on to my mental and physical constitution, joining me to systems not as a rule connected, or in any way incorporated with our earthly being.

Of course, in a general way, and very vaguely speaking, every one believes the whole of creation, Physical, Mental, Moral, Cosmic or Supra-cosmic, all to be one single system only, controlled and directed by one and only one single purpose at the back. Yet they all know at the same time, that there are systems and systems, each clearly and distinctly defined and differentiated from every other, so as not to make a confusion of them all. The connection joining them into a single whole, seems to be through 'key-ways' and 'small gates* leading from one to another. It appears to us that the very small hole, through which Hanuman and Hanuman alone could make his*
